TILES & SANITARYWARE

CREATING ART, BUILT FOR **GENERATIONS**

Welcome to Glantonia, where innovation blends seamlessly with timeless design. As a trusted manufacturer of premium ceramic tiles, we specialize in creating surfaces that redefine elegance, durability, and modern living. Every Glantonia tile is crafted to enhance spaces with a perfect balance of aesthetics and performance.

Driven by a passion for excellence, Glantonia serves diverse architectural and interior design requirements, offering versatile tile solutions for residential, commercial, and corporate spaces. Our designs reflect contemporary trends while maintaining the strength and reliability required for long-lasting use.

At Glantonia, we believe tiles are more than just surfaces—they are expressions of style and quality. Through precision engineering, attention to detail, and sustainable manufacturing practices, we create products that inspire confidence and elevate environments. Join Glantonia in shaping spaces that speak of sophistication, innovation,

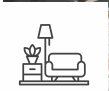

PERFECTLY CRAFTED TILES FOR PERFECTLY DESIGNED SPACES

600x1200mm tiles are large-format tiles . These tiles are commonly used in modern interior and exterior designs due to their elegant and spacious appearance. The large size reduces the number of joints, creating a seamless and luxurious look. They are suitable for both floor and wall applications in living rooms, bedrooms, kitchens, bathrooms, and commercial spaces. Made from ceramic or vitrified materials, 600x1200mm tiles are durable, easy to clean, and ideal for achieving a contemporary aesthetic in any environment.

SIZE :
600x1200MM

APPLICATION AREAS :

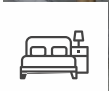

LIVING ROOM

RESTAURANT

BATHROOM

BEDROOM

600x1200mm tiles are ideal for a wide range of applications in both residential and commercial spaces. Their large size makes them perfect for living rooms, bedrooms, kitchens, and bathrooms, offering a seamless and elegant look. These tiles are also well-suited for commercial areas such as offices, hotels, showrooms, and lobbies, where durability and style are essential. Suitable for both floor and wall use, they enhance the visual appeal of interiors and exteriors alike, creating a spacious and modern feel in any environment.

TECHNICAL FEATURES :

600x1200mm tiles are large-format, vitrified tiles known for durability, low water absorption, and seamless aesthetics. They offer resistance to stains, scratches, and chemicals, making them ideal for high-traffic areas. With fewer grout lines and various finishes, these tiles provide a modern, easy-to-maintain solution for floors and walls.
